Checked-in Pol

BISE mobile app to find your match in Pol

Meet directly your match in Pol

BISE empowers singles to meet their future mates & to discover cultural or entertainment hotspots in their cities or abroad.

BISE is a disruptive mobile dating service that provides singles with an easier and faster way to meet at their favourite hangout in real life, rather than locking themselves in endless virtual exchanges.

3 Key Features:

**Gamification: Dating** 

Places Discovery: Hangouts Rating/P2P **Promotions: Local Businesses (250m)** 

**Prototype: June 2016** 

Testing Phase: 4 places, Brussels – From 23/6

#### **BE PART OF OUR INNOVATION**
