

<b>Funding source</b>	<b>The World Bank Group Country Partnership Strategy for Belarus, 2013–2017 (7)</b> <b>FORESTRY DEVELOPMENT PROJECT (03/14 – 12/20)</b>
<b>Targeted countries</b>	Belarus
<b>Programme objectives</b>	The Project Development Objective is to enhance silvicultural management and reforestation and afforestation, increase the use of falling residues, and improve the public good contribution from forests.
<b>Programme description</b>	The new project also builds on the World Bank Forest Sector Policy Note, which provided strategic advice on defining sector goals and opportunities in conjunction with the development of the National Forest Strategic Plan for 2015–2030, and on the experience and knowledge gained from the European Neighbourhood and Partnership Instrument East Countries Forest Law Enforcement and Governance (FLEG) Program (2008–12,2012–17), which is being implemented by the World Bank. The World Bank Group Country Partnership Strategy for Belarus guides World Bank and International Finance Corporation (IFC) support to Belarus from 2013 to 2017.

<b>Type of activity funded</b>	Development projects, infrastructure projects, investment projects, analytical and technical assistance
<b>Link with ICT</b>	Does the programme include ICT indirectly
<b>Other useful information</b>	The World Bank is a catalyst of global knowledge and best practices in the development of ICTs. A South-South knowledge exchange between the Republic of Korea and the Republic of Belarus, "Together to the InfoSociety," facilitated by the World Bank in June 2014, provided a platform to discuss Korea's ICT experience in such sectors as health, land registration, and cyber security, as well as Belarus ICT sector development.
