

<b>Funding source</b>	<b>EU H2020, Directorate-General Neighbourhood and Enlargement negotiations, European Commission, TAIEX funds</b>
<b>Targeted countries</b>	EU neighbouring countries
<b>Programme objectives</b>	TAIEX supports public administrations with regard to the approximation, application and enforcement of EU legislation as well as facilitating the sharing of EU best practices.
<b>Programme description</b>	TAIEX assistance is mainly demand driven. It is given in response to requests sent by officials working for the administrations of Beneficiary Countries. The applications for assistance are available online here on the TAIEX website. If you wish to apply, please fill in the appropriate form whether it be to receive targeted for expertise, to apply for a study visit or to propose the organisation of a larger workshop.
<b>Website and additional links</b>	<a href="http://ec.europa.eu/enlargement/taix/index_en.htm">http://ec.europa.eu/enlargement/taix/index_en.htm</a>
<b>Status</b>	Ongoing
<b>Who can candidate?</b>	Public authorities
<b>What are the requirements for applying?</b>	An application should be developed by a public authority
<b>Type of activity funded</b>	<ul style="list-style-type: none"> <li>✓ <u>Workshop</u> - EU Member State experts present specific areas of EU legislation in workshops attended by officials from the beneficiaries' administrations.</li> <li>✓ <u>Study visit</u> - A group of up to 3 practitioners from a beneficiary administration embark on a study visit to EU MS for 5 days to learn the best practices and EU legislation.</li> <li>✓ <u>Experts mission</u> - 1 or more EU expert is coming to a beneficiary administration to advice, provide best practices, etc. for up to 5 days.</li> </ul>
<b>Link with ICT</b>	The programme does not include ICT directly. However, it is able to support the capacity building in the areas which strongly depend on ICT (medicine, energy, etc) or assist in answering the major social challenges (to which ICT contribute) by providing the best available experience (e.g. security).
