Programme description	This is a high-level tutorial course offering the latest developments in a NATO-relevant subject to an advanced-level audience.
Website and additional links	http://www.nato.int/cps/en/natohq/78209.htm
Status	Ongoing
Maximum budget per candidate	The SPS grant (average EUR 60k) pays for direct organisational costs, travel and living expenses of up to 15 lecturers and attendance of students (60 to 80) from countries eligible to receive NATO funding.
Contact	sps.info@hq.nato.int
Who can candidate?	Applications must be submitted jointly by a prospective co-director residing and working in a NATO country and one residing and working in a partner country. Individuals from for-profit private companies are not eligible.
What are the requirements for applying?	All activities funded under the SPS Programme must address the SPS Key Priorities and must have a clear link to security and to NATO's strategic objectives.
Type of activity funded	Research

Link with ICT	Direct
Other useful information	<p>Target Audience: Pre- and Post-doctoral level scientists with a relevant background in the subject matter of the course. In particular, young scientists from NATO Partner countries are encouraged to attend.</p> <p>Experience has shown that the most successful ASIs have 12 to 15 expert speakers and 60 to 80 students. In special cases, the number of Lecturers can be increased slightly, but no more than 15 can be financed by the NATO grant, including the Co-Directors.</p>
